

ONLINE BANKING AGREEMENT

The first time you access your accounts through Online Banking, you agree to be bound by the terms and conditions of this Online Banking Agreement ("Agreement") and acknowledge its receipt and your understanding of its terms.

Introduction

This Agreement explains the terms and conditions for accessing accounts and conducting transactions at Farmers Deposit Bank ("Institution", "we", "us" and "our") via our on-line Online Banking site(s) ("Online Banking"). As used in this Agreement, the terms "you" and "your" refer to each person signing an Online Banking Application.

Benefits of Online Banking

Through Online Banking, you can manage eligible accounts from your home or office on a personal computer. Online Banking can be used to conduct any of the following "Online Banking":

- Obtain balances and transaction histories on all eligible accounts enrolled in Online Banking (All account balances and transaction histories reflect activity through the close of the previous banking day);
- Transfer money between eligible accounts (The number of transfers you can make from an account is limited as described in the applicable account agreement. In addition, if a hold is placed on any funds deposited in an eligible account, you may not transfer the portion of funds being held until that hold expires);
- Transfer money to pay Institution for overdraft protection, consumer loans, home equity loans, or certain other eligible loans; and pay bills to any merchant, financial institution or an individual with a U.S. address.

Institution may, from time to time, introduce new Online Banking services. By using those services when they become available, you agree to be bound by the terms contained in this Agreement, and its subsequent amendments.

Security & Protecting Your Account

We are strongly committed to protecting the security and confidentiality of our customer accounts information. We use several techniques to help secure our Online Banking service, including the following:

- You can only access Institution with certain browsers that have a high security standard.
- Your account numbers are never displayed in full - only the last 4 digits can be viewed.
- You must have a valid Online Banking User ID and Password to logon.
- If no action is taken for 10 minutes, you will be automatically logged off the Online Banking service.
- Out-of-band authentication is required when logging on to Online Banking from an unknown source.

Requirements

To access Online Banking you must have Windows Internet Explorer 10.0 or greater, Mozilla Firefox 40.0 or greater, Chrome 44.0 or greater, Safari 8.0.7 or greater and can support 128-bit data encryption or higher.

In addition to compatible software, you must have an Online Banking User ID, a Password and maintain one or more of the following eligible accounts at the Financial Institution:

For security purposes, it is recommended that you memorize your password and do not write it down. We also recommend that you change your password regularly to try and avoid misappropriation by a third party. Your password can be changed at our Online Banking site. You are responsible for keeping your password and account data confidential. When you give someone your password, you are authorizing that person to use Online Banking. You are responsible for all transactions performed using your password, even if you did not intend or authorize them. In addition, fraudulent transactions initiated using your password will be charged against your account(s).

Bill Payment Service

This is your bill paying agreement with Farmers Deposit Bank. You may use Farmers Deposit Bank's bill paying service, Bill Pay, to direct Farmers Deposit Bank to make payments from your designated checking (account) to the Merchants you choose in accordance with this agreement. The terms and conditions of this Agreement are in addition to the Account agreements, disclosures and other documents in effect from time to time governing your Account (the Account Rules).

"You" or "your" means each person who signs the bill paying enrollment form or is otherwise authorized to use the Service. "Merchant" means anyone, including the Financial Institution, you designate and the Financial Institution accepts as a payee.

HOW TO SET UP MERCHANTS/PAYMENTS

When you sign onto the bill pay system you will establish your list of Merchants by selecting the Add button on the Set up Accounts and Payee screen. You may add a new fixed payment for any Merchant but only if they are on your authorized list of payees. If the Merchant is not set up for electronic payments, the service will generate a paper check for payment. The check will carry your account number and will clear directly through your account. A unique check number will appear on your statement for easy recognition. The Financial Institution reserves the right to refuse the designation of a Merchant for any reason. The Financial Institution is not responsible if a Bill Payment cannot be made due to incomplete, incorrect, or outdated information provided by you regarding a Merchant or if you attempt to pay a Merchant that is not on your Authorized Payee list.

THE BILL PAYING PROCESS

The Financial Institution will process variable payments on the business day (generally Monday through Friday, except holidays) you designate the bill is to be processed, provided the payment request is received prior to the cut-off time set by the Financial Institution, which is currently 4:00 p.m. EST. Variable bill requests received after the business day cut off time, or at any time on a non-business day will be processed on the next business day. The Financial Institution reserves its right to change the cut-off time by giving you notice if it changes.

FOR RECURRING PAYMENT REQUESTS, IF YOU DESIGNATE A PROCESSING DATE OF THE 28TH THROUGH THE 31ST OF A MONTH, PROCESSING WILL BE INITIATED ON THE LAST CALENDAR DAY OF THE MONTH. Otherwise, recurring payment requests will be processed on the dates you have designated, unless such date falls on a non-business day resulting in your payment being processed on the next business day. YOU MUST ALLOW AT LEAST FIVE (5) BUSINESS DAYS, PRIOR TO THE DUE DATE, FOR EACH BILL PAYMENT (RECURRING OR VARIABLE) TO REACH THE MERCHANT. (IT IS THE RESPONSIBILITY

OF THE SUBSCRIBER TO SCHEDULE/ACTIVATE RECURRING PAYMENTS) Due to circumstances beyond our control, some Merchants take longer to post payments than others. We suggest sending your first payment eight (8) business days in advance of the Due Date. After your first payment has posted you will have a better understanding of how much time to allow for each Merchant.

You must select a Payment Date that is at least five (5) business days before the actual Due Date reflected on your Payee statement. If your actual Due Date falls on a non-business day you must select a Payment Date that is at least one business day before the actual Due Date. Payment Dates should be prior to any late date or grace period.

When you have scheduled a payment, you authorize the Financial Institution to debit your Payment Account and remit funds on your behalf. You certify that your Payment Account is an account from which you are authorized to make payments and any payment you make will be debited from this account. You also authorize the credit of returned payments from using the Bill Pay Service.

The Bill Pay Service will incur no liability and a Service Guarantee shall be void if the Bill Pay Service is unable to complete any payments initiated because of any of the following:

1. You have not provided the Bill Pay Service with the correct payment account information, or the correct name, address, phone number, or account information for the Merchant upon initiation of the payment; and/or,
2. Circumstances beyond the control of the Bill Pay Service (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and the Bill Pay Service has taken reasonable precautions to avoid those circumstances;
3. The payment-processing center is not working properly and you know or have been advised by the Bill Pay Service about the malfunction before you execute the transaction;

You agree to have available and collected funds on deposit in the account you designate in amounts sufficient to pay for all Bill Payments requested, as well as, any other payment obligations you have to the Financial Institution. The Financial Institution reserves the right, without liability, to reject or reverse a Bill Payment if you fail to comply with this requirement or any other terms of this agreement. If you do not have sufficient funds in the Account and the Financial Institution has not exercised its right to reverse or reject a Bill Payment, you agree to pay for such payment obligations on demand. You further agree the Financial Institution, at its option, may charge any of your accounts with the Financial Institution to cover such payment obligations.

The Bill Pay Service reserves the right to select the method in which to remit funds on your behalf to your Merchant.

Any Bill Payment can be changed or canceled, provided you access the Service prior to the cut-off time on the business day prior to the business day the Bill Payment is going to be initiated.

RETURNED PAYMENTS

In using the Service, you understand that the Service and/or the United States Postal Service may return payments for various reasons, such as, but not limited to, the Service account number is not valid; the Service is unable to locate account; or Payee account is paid in full. The Service will use its best efforts to research and correct the returned payment, or void the payment and credit your Payment Account. You may receive notification from the Service.

Accessibility

You can usually access Online Banking seven (7) days a week, twenty-four (24) hours a day. However, at certain times, some or all of Online Banking may not be available due to system maintenance or reasons beyond Institution's control. Institution does not warrant that Online Banking will be available at all times. When unavailable, you may use an automated teller machine ("ATM") or call our call office to conduct your transactions. An Online Banking transaction initiated prior to 7PM (Eastern Time) on a banking day is posted to your account the same day. All transfers completed after 7 PM (Eastern Time), or on a non-banking day, will be posted the following banking day.

Fees and Charges

There is currently no charge for the use of the Online Banking described in this Agreement

Restrictions

You may not appropriate any information or material that violates any copyright, trademark or other proprietary or intellectual property rights of any person or entity while using the Online Banking or Online Banking. You may not gain, or attempt to gain, access to any Online Banking and/or On-line Financial Service server, network or data not specifically permitted to you by Institution or its suppliers, and you must not include any obscene, libelous, scandalous or defamatory content in any communications with Institution or its suppliers.

Accessing the Service

When you complete your internet banking enrollment form, you will be given an opportunity to request an Online Banking User ID and Password. You will use the User ID and Password to access Online Banking.

Each time you access Online Banking, you will be asked to enter your User ID and Password. The correct responses will give you access to Online Banking.

Liability

As a customer, you are solely responsible for controlling the safekeeping of and access to your password. You are liable for all transactions you make or that you authorize another person to make even if that person exceeds his or her authority. If you want to terminate another person's authority, you must notify the Financial Institution and arrange to change your password. The Financial Institution is not responsible for your acts or omissions or those of any other person, including, without limitation, any transmission or communications facility, and no such party shall be deemed to be the Financial Institution's agent. In any event, the Financial Institution will not be liable for any special, consequential, incidental, or punitive losses, damages, or expenses in connection with this Agreement or the Service, even if the Financial Institution has knowledge of the possibility of them. The Financial Institution is not liable for any act, failure to act or delay in acting if it is caused, in whole or in part, by any cause beyond the Financial Institution's reasonable control.

Amendment and Termination

The Financial Institution has the right to change this Agreement at any time by notice mailed to you at the last address shown for the Account on the Financial Institution's records, by posting notice in branches of the Financial Institution, or as otherwise permitted by law.

The Financial Institution has the right to terminate this Agreement at any time. You may terminate this

Agreement by written notice to the Financial Institution. The Financial Institution is not responsible for any fixed payment made before the Financial Institution has a reasonable opportunity to act on your termination notice. You remain obligated for any payments made by the Financial Institution on your behalf.

The Financial Institution reserves the right to charge you for research time involving payments no longer available in your screen history. You will be informed of any such charges before they are incurred.

Unauthorized Transactions

You should notify us immediately if you believe anyone has improperly obtained your password or if you suspect any fraudulent activity in your account(s). If your password has been compromised and you tell us within two (2) business days of discovering the loss or misappropriation, you can lose no more than \$50. If you do not tell us within the two (2) business day period, you could lose as much as \$500 if we could have stopped the use of your accounts had we received notice in a timely manner. You should contact us, or the bill payment provider, as applicable, as soon as you identify any errors or discrepancies in your statement or transaction record, or if you need any information about a transaction listed on the statement or transaction record. We must hear from you no later than sixty (60) days after we have sent the first statement on which the problem or error appeared (If you notify us verbally, we may require that you send us your complaint or question in writing or electronically within ten (10) business days). If you fail to notify us within the sixty (60) day period, you may not recover any of the money you lost if we can establish that the loss could have been avoided had you notified us on time. We may extend these time periods for good reasons such as out-of-town travel or extended hospital stays.

When you report a problem or discrepancy, please: (i) tell us your name and account number; (ii) describe the error or the transaction you are unsure about, and explain why you believe it is in error or what additional information you need; (iii) tell us the dollar amount of any suspected error. Generally speaking, we will tell you the results of our investigation within ten (10) business days, or twenty (20) business days in the case of new accounts, after we hear from you. However, we may take up to forty-five (45) days, or ninety (90) days in the case of new accounts, point of sale, or international transactions, to investigate your complaint or question. In this case, we may provisionally credit your account so that you have use of the money during the time it takes us to complete the investigation. If you fail to provide your complaint or question in writing within ten (10) business days of a request from us to do so, we reserve the right to not credit your account. If we confirm an error, we will correct your account record within ten (10) business days, or twenty (20) business days in the case of new accounts. If we determine that there was no error, we will send you a written explanation within three (3) business days after we conclude our investigation and will debit any interim amounts credited to your account. You may request copies of any documents that we use in our investigation.

To notify us of lost or stolen cards, or of unauthorized transactions, call or write to us at the telephone number or address set forth in the **Liability for Unauthorized Transfers** paragraph below. This will help prevent unauthorized access to your account and minimize any inconvenience.

MasterCard is a registered trademark of MasterCard Worldwide or its subsidiaries in the United States.

In addition to the limitations set forth above, the following limitations may be applicable to your accounts:

Liability for Unauthorized Transfers. Tell us AT ONCE if you believe your card, ATM PIN, POS card or PIN, Audio Response PIN, or online banking PIN has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within two (2) business days after you learn of the loss or theft of your card or code, you can lose no more than \$50.00 if someone used your card or code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your card or code, and we can prove that we could have stopped someone from using your card or code without your permission if you had told us, you could lose as much as \$500.00. Also, if your statement shows transfers that you did not make, including those made by card code or other means, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods. If you believe that your card or code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call (606) 787-0700, or write us at Farmers Deposit Bank, PO Box 760, Liberty, KY 42539. You should also call the number or write this address if you believe a transfer has been made using the information from your check without your permission.

Illegal Transactions. You may not use your ATM, POS, or Debit Card, or other access device for any illegal or unlawful transaction, and we may decline to authorize any transaction that we believe poses an undue risk of illegality or unlawfulness. Notwithstanding the foregoing, we may collect on any debt arising out of any illegal or unlawful transaction.

Business Days. For purposes of these electronic funds transfer disclosures, our business days are Monday through Saturday. Holidays are not included.

Stop Payments on ATM, POS, or Debit Card Transactions. You may not place a stop payment order on any ATM, POS, or debit card transaction.

Documentation.

Periodic Statement. You will get a monthly account statement from us, unless there are no transactions in a particular month. In any case you will get a statement quarterly. You will get a quarterly statement from us on your savings account if this is the only account you maintain and the only possible electronic transfer to or from the account is a preauthorized deposit.

Terminal Receipt. You can get a receipt at the time you make a transfer to or from your account using one of our ATMs or a POS terminal. However, receipts for transactions of \$15.00 or less may not always be available.

Direct Deposits. If you have arranged to have direct deposits made to your account at least once every sixty (60) days from the same person or company, you can call us at (606) 787-0700 to find out whether or not the deposit has been made.

Our Liability for Failure to Make Transfers. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will **NOT** be liable for instance:

- * If, through no fault of ours, you do not have enough money in your account to make the transfer.
- * If the money in your account is subject to legal process or other claim restricting such transfer.
- * If the transfer would go over the credit limit on your overdraft line.
- * If the ATM where you are making the transfer does not have enough cash.
- * If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- * If circumstances beyond our control (such as fire or flood) prevent the transaction, despite reasonable precautions that we have taken.
- * There may be other exceptions stated in our agreement with you.

In Case of Errors or Questions About Your Electronic Transfers. Telephone us at (606) 787-0700, or write us at **Farmers Deposit Bank, 775 N. Wallace Wilkinson Blvd., Liberty, KY 42539** as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- * Tell us your name and account number (if any).
- * Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- * Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty five (45) days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

If a notice of error involves an electronic fund transfer that occurred within thirty (30) days after the first deposit to the account was made, the error involves a new account. For errors involving new accounts, point of sale debit card transactions, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to credit your account for the amount you think is in error.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

Confidentiality. We will disclose information to third parties about your account or the transfers you make:

- * To complete transfers as necessary;
- * To verify the existence and condition of your account upon the request of a third party, such as a credit bureau or merchant; or
- * To comply with government agency or court orders; or
- * If you give us your written permission.

Personal Identification Number (PIN). The ATM PIN, POS PIN or Audio Response PIN issued to you is for your security purposes. The numbers are confidential and should not be disclosed to third parties or recorded on the card. You are responsible for safekeeping your PIN(s). You agree not to disclose or otherwise make your ATM PIN, POS PIN or Audio Response PIN available to anyone not authorized to sign on your accounts.

Notices. All notices from us will be effective when we have mailed them or delivered them to your last known address on our records. Notices from you will be effective when received by us at the telephone number or the address specified in this Agreement. We reserve the right to change the terms and conditions upon which this service is offered. We will mail notice to you at least twenty one (21) days before the effective date of any change, as required by law. Use of this service is subject to existing regulations governing your account and any future changes to those regulations.

Enforcement. In the event either party brings a legal action to enforce this Agreement or collect amounts owing as a result of any Account transaction, the prevailing party shall be entitled to reasonable attorneys' fees and costs, including fees on any appeal, subject to any limits under applicable law.

Termination of ATM, POS and Audio Response Services. You agree that we may terminate this Agreement and your use of the ATM Card, POS or Audio Response services, if:

- * You or any authorized user of your ATM PIN, POS card or PIN or Audio Response PIN breach this or any other agreement with us;
- * We have reason to believe that there has been an unauthorized use of your ATM PIN, POS card or PIN or Audio Response PIN;
- * We notify you or any other party to your account that we have cancelled or will cancel this Agreement. You or any other party to your account can terminate this Agreement by notifying us in writing.

Termination of service will be effective the first business day following receipt of your written notice. Termination of this Agreement will not affect the rights and responsibilities of the parties under this Agreement for transactions initiated before termination.

Preauthorized Electronic Fund Transfers.

Stop Payment Rights. If you have told us in advance to make regular electronic fund transfers out of your account(s), you can stop any of these payments. Here's how: Call us or write to us at the telephone number or address set forth above, in time for us to receive your request three (3) business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within fourteen (14) days after you call. We will charge you \$ 15.00 for each stop payment order you give.

Notice of Varying Amounts. If these regular payments may vary in amount, the person you are going to pay will tell you, ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.

Liability for Failure to Stop Payment of Preauthorized Transfers. If you order us to stop one of these payments three (3) business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

Other Provisions. There may be a delay between the time a deposit is made and when it will be available for withdrawal. You should review our Funds Availability Policy to determine the availability of the funds deposited at ATMs. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account.

ATM SAFETY TIPS

As issuers of Automated Teller Machine (ATM) access devices, we have provided for your information a list of safety precautions regarding the use of automated teller machines. Please read the following safety tips:

- * Be aware of your surroundings, particularly at night.
- * Consider having someone accompany you when the automated teller machine is used after dark.
- * It is appropriate to politely ask someone who is uncomfortably close to you to step back before you complete your transaction.
- * Refrain from displaying your cash. Pocket it as soon as your transaction is completed. Count the cash later in the safety of your car or home.
- * Consider using another automated teller machine or coming back later if you notice anything suspicious. If you are in the middle of a transaction and you notice something suspicious, cancel the transaction, pocket your ATM access device and leave.
- * Go to the nearest public area where people are located if you are followed after making a transaction.
- * Report all crimes to law enforcement officials immediately.
